

1-1-76

Dear Hal - Thanks very
much for the letter. I
had been, frankly, a little
concerned about you. I trust
the leg is better now and
I do hope that '76 will
be a very good year for
you. I do want, too, your
recent books - the ones
I don't have - so will
send along the order
blank shortly.

May Joy and
Peace be yours
throughout the
New Year

Warmest Personal regards,
Bill (& Jean) DeaFright
